

Parasite

Set It Off

Parasite
Leeching off my pain
Never satisfied
Till I'm fully drained
You're a parasite
Playing with my name
Just to stay alive
What a poor, pathetic parasite

Climb social ladders, slash another honest throat
Walls of cadavers, savage way to build a home
If your pain's their pain then maybe you are not alone
Sick, delusional pest stuck to the host
You're just a...

Parasite
Leeching off my pain
Never satisfied
Till I'm fully drained
You're a parasite
Playing with my name
Just to stay alive
What a poor, pathetic parasite

You insert your fuckin' nose knowin' it doesn't belong
Strike a nerve or wreck a home, hopin' you get a response
And I curse that fuckin' nurse for letting you fall out your mom
You're just a piggybackin' sycophant, the ant I'm stepping on

If I'm such a wreck
Then why so obsessive?
Devil playing God
Performative mess
Just craving attention
Taking what you want
From me so you're not obsolete
Sinking your teeth, I'll bleed
But all you'll be is just a...
