

# Raised On It

Seth Anthony

I was raised on them backroads  
Frog gigging with cane poles  
Barefoot everywhere we go  
Mama made them biscuits gravy  
Girl next door she drove me crazy  
(Yeah she did, I still love her though)

Bottles till the sun comes up  
Drop the tailgate on the truck  
It's Friday night lets turn it up  
Caught up in the summer love  
Can't leave my heart is stuck  
Like a my blueprints left in the mud

Southern living' everywhere I go is running through my blood

Raised on it  
Praised on that good book so we could cuss on Mondays  
Sinnin' but we'll see those white lights some day  
Starts all over again on next Sunday  
Raised on it  
Sang down that dirt road Tom Petty track Free Fallin  
Tailgate, bonfire parties calling  
Raise your hands up if you're raised on it  
Oooooo raised on it  
Oooooo raised on it  
Oooooo raised on it

Sneak out undercover of a full moonlight  
Lights off, waitin in a four wheel drive  
Red cups, sippin on cheap red wine  
In the summertime  
Sounds of the crickets and the frogs just right  
Taillights paint the town red at night  
Our names carved on a tree side  
Staying up till sunrise

Raised on it  
Praised on that good book so we could cuss on Mondays  
Sinnin' but we'll see those white lights some day  
Starts all over again on next Sunday  
Raised on it  
Sang down that dirt road Tom Petty track Free Fallin  
Tailgate, bonfire parties calling  
Raise your hands up if you're raised on it  
Oooooo raised on it  
Oooooo raised on it  
Oooooo raised on it

Where I'm from it's yes sir no ma'am  
We open doors and we shake ya hands  
Don't cross that line boy take a stand  
It's a one lane road down to country land  
The party starts where the pavement ends  
Ain't nuthin to do girl call your friends  
Shotgun beers yeah it's time to sin  
And next weekend we gonna do it again

Raised on it  
Praised on that good book so we could cuss on Mondays  
Sinnin' but we'll see those white lights some day  
Starts all over again on next Sunday  
Raised on it  
Sang down that dirt road Tom Petty track Free Fallin  
Tailgate, bonfire parties calling  
Raise your hands up if you're raised on it  
Oooooo raised on it  
Oooooo raised on it  
Oooooo raised on it
