

# Reckless

Seth Anthony

I'm ridin' dirty down 95 with a bottle of Shine, yeah  
'Cause I'm so gone  
My mind is so gone  
I'm livin' reckless  
Southbound blowin' Mary Jane, a buck 30 in the fast lane  
'Cause I'm so gone  
Man, I'm so gone  
I'm livin' reckless

Woke up, shit I'm in a bad mood  
I don't know why, but I feel like I'ma snap soon  
Tired of getting judged from the bullshit that I been through  
I changed my life but still remind me I'm a bad dude  
Broken man, that's my excuse  
My soul is damaged from the drug abuse  
Work paycheck to paycheck, guess it ain't my time yet  
Momma didn't raise a quitter, so time to get these boots wet

I didn't come this far to only come this far  
I'm still battling demons, that's why I got these scars  
Love the struggle, it only makes you stronger  
Been out in the rain, but heads underwater  
Rather eat crumbs with bums than eat steaks with snakes  
Real eyes realize that people are fake  
A real man is defined by his mistakes  
Full throttle to the end, so I'm cutting the brakes

I'm ridin' dirty down 95 with a bottle of Shine, yeah  
'Cause I'm so gone  
My mind is so gone  
I'm livin' reckless  
Southbound blowin' Mary Jane, a buck 30 in the fast lane  
'Cause I'm so gone  
Man, I'm so gone  
I'm livin' reckless

Was born to be real, wasn't born to be perfect  
Grew up poor as hell, eating mayonnaise sandwiches  
Momma did good through them circumstances  
Taught me how to be a man 'cause my father was absent  
I never look back with no disregard  
I wouldn't change the past, we are who we are  
Take a look around, man, the world is crumbling  
See I've been to hell, so I know what's coming

Better stand for something or you fall for nothing  
The world is tripping, the left is fumbling  
Right is right, that's why we call it  
Even broken crayons still have a color  
White or black, I still call you brother  
Open your eyes, they're taking freedom from us  
I ain't never backed down, I ain't never starting  
We own this spot, you gotta take it from us

I'm ridin' dirty down 95 with a bottle of shine, yeah  
'Cause I'm so gone ('cause I'm so gone)  
My mind is so gone ('cause I'm so gone), I'm livin' reckless

Southbound blowin' Mary Jane, a buck 30 in the fast lane  
'Cause I'm so gone ('cause I'm so gone)  
Man, I'm so gone ('cause I'm so gone), I'm livin' reckless

(I'm livin' reckless)  
(I'm livin' reckless)  
(I'm livin' reckless)  
(I'm livin' reckless)  
(I'm livin' reckless)
