

## Tuesday

Seth Anthony

I'm smokin' and drinkin', I'm pourin' 'em strong  
Two AM, I don't wanna go home

[?] took my phone, fuck

I'm fucked up on a Tuesday  
I thought it was Wednesday  
Shit, it's Thursday  
Now it's  
It's Friday, it's time to party  
I thought it was Sunday  
Fuck, it's Monday

I'm grabbin' the bottle, I'm poppin' the top  
Linin' the shots, we all turnin' up  
Got work in two hours, but I'm callin' off  
We party all night till the cops get called  
Till Stacy and Tracy call all they friends  
And they got a man stay home with them  
We rollin' up OG, the fridge full of beers  
Tequila and Tito's, we up in this bitch  
We gonna party like it's 1969  
I'm so high  
Woke up on the couch with a beer in my hand  
My phone is dead, I don't know where I am  
What happened last? I don't think nobody knows  
The sun is up and I'm gone, gone

I'm fucked up on a Tuesday  
I thought it was Wednesday  
Shit, it's Thursday  
Now it's  
It's Friday, it's time to party  
I thought it was Sunday  
Fuck, it's Monday  
I'm smokin', I'm drinkin', I'm pourin' 'em strong  
It's two AM, I don't wanna go home  
It's the same old song  
Cuz I'm  
I'm fucked up on a Tuesday, hey  
All seven days are the same

Last night's a blur, man, I woke up drunk  
My bank card's gone, I can't find my truck  
Got a text from the bank and my funds is low  
Got a text from my ex, man, fuck the ho  
Got a text from the crew when we at the dive bar  
Shots, shots, shots till last call  
My Uber's here and I gotta go  
I'ma holler at you boys tomorrow, yo  
Man, hold up, man, what day is it?  
Bro, what day is it?  
What day is it?

I'm fucked up on a Tuesday  
I thought it was Wednesday  
Shit, it's Thursday

Now it's  
It's Friday, it's time to party  
I thought it was Sunday  
Fuck, it's Monday  
I'm smokin', I'm drinkin', I'm pourin' 'em strong
