

# Hair Ties (I Don't Wanna)

Seth Ennis

I remember when my best friend said  
I takes 14 months to forget someone  
Well I'm at 13 and I ain't even close  
I'm sick and tired of pulling up to a red  
And in the next lane there's a white Mustang  
Makes me think of us four years off the road  
Sunday morning don't feel like Heaven anymore  
Without your bathrobe hanging on the bathroom door

I don't wanna need you now  
I don't wanna drink this much  
I don't wanna see you out  
I don't wanna feel this stuck  
No I don't wanna call you when I get lonely  
I don't wanna love you if you don't love me  
I just wanna stop finding your hair ties in my drawer  
'Cause I don't wanna want you anymore

I don't wanna want you  
I don't wanna want you

You don't even know how much it sucks  
When I hear our song you ain't singing along  
When you post a pic with some frat dick I don't know  
And my passenger seat don't lean back like it did before  
And I don't want to admit that I miss us scoffing up the dashboard

I don't wanna need you now  
I don't wanna drink this much  
I don't wanna see you out  
I don't wanna feel this stuck  
No I don't wanna call you when I get lonely  
I don't wanna love you if you don't love me  
I just wanna stop finding your hair ties in my drawer  
'Cause I don't wanna want you anymore

I don't wanna want you  
I don't wanna want you

I just wanna move on, find some new  
But still ain't found someone who  
Can make me feel you used to  
What do I do?  
What do I, what do I do?  
What do I, what do I do?

I don't wanna need you now  
I don't wanna drink this much  
I don't wanna see you out  
I don't wanna feel this stuck  
No I don't wanna call you when I get lonely  
I don't wanna love you if you don't love me  
I just wanna stop finding your hair ties in my drawer  
'Cause I don't wanna want you anymore

I don't wanna want you  
I don't wanna want you

I don't know why I don't wanna  
But I don't wanna, I don't know  
I don't know why I don't wanna  
But I don't wanna want you  
But I don't wanna want you anymore
