

Play It Cool

Seth Ennis

Hey, do you remember that day?
We went down in flames, then went our separate ways
How you been, do you got a boyfriend?
I can't pretend, that seeing you again
Isn't something I was hoping for and I thought about this before
Rehearsed the words, but when you walked through the door
I started freezing up, freezing up, freezing up yeah

You got my heart on fire
Oooh you're so hot it's cruel
Lit up like a Zippo lighter
Am I gonna play it cool
Am I gonna play it cool

Why you gotta do me like this?
Cinnamon lips, I don't wanna resist
'Cause I miss 'em, wanna kiss 'em
But I don't know how you would react
Would ya turn your back
You, you're all dolled up, dolled up, dolled up
And I'm burning up, burning up, burning up baby

You got my heart on fire
Oooh you're so hot it's cruel
Lit up like a Zippo lighter
Am I gonna play it cool
You knew just what you were doing
When you heated up this room
You're winning and girl I'm losing
But I'm tryna play it cool
Am I gonna play it cool

Tryna play it
Tryna play it
Tryna play it
Tryna play it

If I told you everything
Everything I wanna say
Would you listen to me babe
And tell me if you feel the same way

You got my heart on fire
Oooh you're so hot it's cruel
Lit up like a Zippo lighter
Am I gonna play it cool

You got my heart on fire
Oooh you're so hot it's cruel
Lit up like a Zippo lighter
Am I gonna play it cool
You knew just what you were doing
When you heated up this room
You're winning and girl I'm losing
But I'm tryna play it cool
Am I gonna play it cool
