

# So Much

Seth Ennis

It still sucks waking up  
Getting drunk, all alone  
It still hurts seeing me and your  
Old pictures on my phone  
I need you, baby  
I know that now  
The space you gave me  
It ain't workin' out, no

Baby, so much for thinking  
That all I needed was freedom  
That I'd be good with you leaving  
And wouldn't want you back  
So much for tryin'  
To keep you out of my mind  
And giving it a little time  
Yeah baby, I tried that

So much for doing my own thing  
So much for not being lonely  
I'm not me without us  
So much for thinkin'  
I wouldn't miss you so much  
So much, so much, so much  
So much, so much  
I wouldn't miss you so much  
So much, so much, so much, so much, so much  
(So much, so much, so much)

When I meet new girls  
Like my friends tell me to  
It just feels like I'm  
Cheating on you  
The truth is it was stupid  
And I knew it then  
Like I know it right now  
The space you gave me  
It ain't workin' out, no

Baby, so much for thinking  
That all I needed was freedom  
That I'd be good with you leaving  
And wouldn't want you back  
So much for tryin'  
To keep you out of my mind  
And giving it a little time  
Yeah baby, I tried that

So much for doing my own thing  
So much for not being lonely  
I'm not me without us  
So much for thinkin'  
I wouldn't miss you so much  
So much, so much, so much  
So much, so much  
I wouldn't miss you so much  
So much, so much, so much, so much, so much

(So much, so much, so much)

I need you baby  
I know that now  
The space you gave me  
It ain't workin' out

So much for thinking  
That all I needed was freedom  
That I'd be good with you leaving  
And wouldn't want you back  
So much for tryin'  
To keep you out of my mind  
And giving it a little time  
Yeah baby, I tried that

So much for doing my own thing  
So much for not being lonely  
I'm not me without us  
So much for thinkin'  
I wouldn't miss you so much  
So much, so much, so much  
So much, so much  
I wouldn't miss you so much  
So much, so much, so much, so much, so much  
(So much, so much, so much)

Baby I've been missin'  
I've been missin' you  
Baby I've been missin'  
I've been missin' you  
Baby I've been missin'  
I've been missin' you  
So much for thinkin'  
I wouldn't miss you so much
