

# Dumb

Seth Sentry

Are you ready? And the fifth-grade final question is...

I think I'm dumb, I think my brain's broke  
I found out last night watching a game show  
I didn't answer one question right the whole time  
I am not smarter than a fifth grader, case closed  
And at first I was like man I can't believe he just won  
That's so nice and only so young  
Good for him, I hope he had fun  
He got 'em all right and I got 'em all wrong  
I mean how could I not get one?  
Then it all kind of just hit me at once  
Like, "Holy shit, I think I am dumb" (Wow)  
Should I go and call up my exes?  
Track down every girl that I've ever slept with  
Like, "Hey, look I know I never messaged you back  
Has it really been ten years? Oh, wow  
Look I don't want to get you freaked out but I just gotta let you  
Know now that I just found out that I'm stupid  
You should probably go ahead and get your IQ tested"  
And I guess that I don't know what can be done  
All I know is I don't wanna be dumb, dumb, dumb

So dumb I should be tested, so why you never said shit?  
How come no one told me I was dumb? How come?  
Da da da, dumb, dumb, da da da da da, da da  
But how come no one ever said that I'm dumb?

I've always been so outspoken  
But I know now just how stupid I sound  
I'm just a loud bogan  
I felt I would have outgrown it  
I mean what was the crowd smoking  
To go download my whole album?  
I mean I'm barely house broken  
I don't know what the Dow Jones is  
I mean at dinner parties, I'm out my depth  
Can't remember cool stuff like them  
I'll just smile and nod my head  
I don't know what the fuck she said  
I'll just Google it once she's gone  
So I can forget it the second I've read it  
I'm thick and slow witted and they tell me I'm inappropriate  
One time in Hawaii, I jerked off with cheap shampoo  
And my skin just peeled right off, but keep that between me and you  
Man I wish I had a clue, I wish I knew what I should do  
I may not have a big IQ, at least my dick is all brand new

So dumb I should be tested, so why you never said shit?  
How come no one told me I was dumb? How come?  
Da da da, dumb, dumb, da da da da da, da da  
But how come no one ever said that I'm dumb?  
So dumb I should be tested, so why you never said shit?  
How come no one told me I was dumb? How come?  
Da da da, dumb, dumb, da da da da da, da da  
But how come no one ever said that I'm dumb?

Whoo, I need a minute, gimme a minute  
Excuse me, this room is spinning  
I'm woozy, I'm too lightheaded  
I'm stupid, clueless, pathetic  
The screws are loose in my head  
And the fuses blew, I'm dimwitted  
This news is super depressing  
I'm loose and I'm too thick-headed  
I truly do wish I wasn't  
Don't get me wrong, I'm not bragging  
I'm not proud of it, so fuck it then  
I'ma get smart, I'ma get smart  
I'ma get way more smart, boy  
I'ma make my brain all large  
'Cause I'm sick of being Ricky from the Trailer Park Boys  
And the whole time this young kid on the quiz show's  
Staring at me with his smug grin, well fuck him  
'Cause I'm just so dumb

So dumb I should be tested, so why you never said shit?  
How come no one told me I was dumb? How come?  
Da da da, dumb, dumb, da da da da da, da da  
But how come no one ever said that I'm dumb?  
So dumb I should be tested, so why you never said shit?  
How come no one told me I was dumb? How come?

I'm dumb
