Seth Sentry

Yeah

Yeah

I got another one

Yeah, I got another one

Yeah, Super Cool Tree House, I got another one

I don't try to hard, or else it's not as fun

I got another one, I thought I'd do this once and then finito

Run out of steam, but low and behold

I got another one, yeah, I mean it should be illegal

Every week, shippin' dope and supplyin' free smoke

I've probably got the FBI watchin', loggin' my keystrokes

Too fuckin' lethal, chlorine for your gene pool

Roll on me, you get steamrolled, go on, kill me, I respawn

Then I come stumblin' back out the Valhalla mead hall

Sendin' shots towards me though?

I send 'em out like Magneto, wild boy like Steve-O

Cat's name on my feed bowl

He is too fussy to eat a burrito

I'm doin' Keto, I'm doin' Keto

Oreos, Cheezels and Cheetos, I got Doritos

I got a ego, I drink artisanal pinot

I'm watchin' Peep show alone in my new tuxedo

Super Hans with the weed roll, I just broke in your beach home

I have stolen your speed boat and murdered all of your seagulls

Yeah, I'm forty below, Mr Freeze at the ski slopes

Encino Man in the deep snow, ain't no one as cold as me though

Yeah, I got another one

Yeah, Super Cool Tree House, I got another one

I bought a new tuxedo, I need a cummerbund

I got another one, this ain't a joke

I'm no comedian, deviant, hidin' my VPN

Encyclopedic knowledge of psychotropic ingredients

Three PM, try alleviate all my tedium

Drinking codeine martinis and reading through all my mean DMs

Tryna seek deeper meaning to keep me zen

3D printing my weenie for you to suck while my CD spins

Nah, the sweetest revenge is to be successful

And then when they least expect you, pump poison gas in their heating vents

I am too cold

I should probably write out all my subtitles in bold

Maybe try italicise 'em

Or I could just scroll, throw in some lens flare

Maybe papyrus or [?] uh oh

Yeah, I got another one

More like Times Old Roman 'cause boy you're fuckin' done

Yeah, check these Wing Dings baby, yeah, that's the fuckin' one

I got another one, yeah, ayy

Futura more like the pasta, I got another one

I never heard of you Bradley, I got another one

Yeah, check these Wing Dings baby, I got another one

I got another one

Ayy, Seth Sentry, Super Cool Tree House
