

## FREE MARVIN

Sett

Ayy, talk your shit on this ho, Uncle Red  
Free Uncle Red, man, no cap  
Ayy, man, you know what the fuck goin' on  
AOB, OT3, y'all know what's goin' on  
Free them members, y'all know what the fuck goin' on  
We standin' on business  
That's all the way, play and get they shitbag  
Y'all know what the fuck goin' on  
(DJ Kidd, this a hit for sure)

Jackie Robinson, knock that boy out the park  
AOB, all off bucking a job  
They scared, they ain't never even robbed  
Spin on your ass out exotic-ass car  
Wrap it and spin on your ass at the mall  
Thirty-deuce in, I done cleared my card  
All my life, I ain't never worked a job  
Still gettin' paid off stolen-ass cars  
Cam fucked up, he'd rather go and rob  
High-speed narcs, get away, you gotta dodge  
How the opps want beef so hard?  
When we hit they block, they don't even get to spark  
Scope on they block in the dark, we parked  
Took the opp gun, turn that bitch to a Grammy  
Twistin' they hat, man, too much cappin'  
Where I'm from, Vegas, we don't do no jabbin'  
We'll pop it out, gettin' shit crackin'  
Every where we go, nigga, we ain't never lackin'  
Niggas say they want smoke, we matchin'  
Call us Kenny G with the 'bows, we taxin'  
If you leave it runnin', we snatchin'  
Big body Scat, take an Aston in traffic  
Hope all these Percs, I damn near crash  
Foonk my lil' brother, I'd give him my last  
If the opps ain't gon' play, I'ma crash  
Missin' Lil' Marvin, we was up on they ass  
Free Marvin, yeah, the opps, they scared  
Every time we catch 'em, it's off with they head  
Can't believe bruh hit, bruh dead  
He ain't even duck, he got hit in the head  
He ain't duck, he got hit in the head  
He ain't duck, he got hit in the head
