I'm a young nigga from Memphis  
Pop out in Gucci, but still rock Balenci'  
Ayy, Sett, why you goin' so hard?  
They know I'ma pop, they know I'ma get it  
Still rock skinny jeans with the fitted  
I popped off a corduroy for my visit  
Whatever I say, it's a go, they gon' listen  
All eyes on me, I know they pay attention

I'll pop a scooter, me, I'm a legend (Scooter)  
My ass HD, I stayed in detention  
Burnt an old-head in the school, went missing  
Keep me a rubber, I gotta protect it (Magnum)  
Hoes in the house, they naked  
Bitch brown like Keisha off Belly  
They fightin'  
Which one of these hoes jealous?  
I was just dealin' with my celly

Sideline, I'm sendin' message  
Sent a kite, we killed a spinner (Bond money)  
See, 30 called, said I'm a legend  
They sendin' bottles to my section  
Trail this Scat, get you whacked  
Hawk Down Gang taught to leave your shit flat (Hawk Down Gang)  
She tryna chase me for my racks  
I'm bougie, cocky, get back  
Don't break a band, throw a stack  
I smashed your ho, give her back (Out of here)  
I be talkin' the dog shit, niggas just ain't listen yet (Ayy, listen up)  
From iPhone to flip phone to iPhone to iPhone to flip phone to iPhone

My lil' niggas in hustle mode, they all step up in them Timbs  
My lil' nigga tryna shoot blickies, tell D30 stay up in the gym  
I'm DJ livin', he got killed, throw a Perc-10, and, yeah, I can't even heal
