You're under my skin
You won't know even if I tell you
Since you have that kind of body
Your standards must be higher than your heels

This might be unnecessary to say
But I think we're all animals in the end
The reason the iris in my eyes are shining
Is because there's pressure in my heart

Do I need to tell you why?
You should know by now
You flipped my body and heart upside down
Even if it's not right now
Even if someone else is by your side yeah

I'll count till three and you shall come over
1 2 3!
1, 2, 3
I'll count till three and you shall come over
1 2 3!
1, 2, 3

At the end of my breath, you're there
You won't know even if I tell you (you never know girl)
You should know that this suit and my pride
Has both crumbled because of you alone (yeah you heard my cry)
The reason I'm sweating
Is because other guys are looking at you (other men are looking at you)
The reason I keep brushing my hair back
Is because your wind keeps blowing

Why should I be saying this?
You should know by now
You flipped my insides and brought them outside
Even if it's not right now
Even if someone else is by your side yeah

I'll count till three and you shall come over
1 2 3!
1, 2, 3
I'll count till three and you shall come over
1 2 3!
1, 2, 3

It goes 1, 2, 3
I'll count till three
Then all the other ladies stopped what they were doing
Hot damn, hot damn
Hot damn, hot damn
But I only want you, ye, ye
It goes 1, 2, 3
When I count till three
Your chic eyes turned to me
Hot damn, hot damn

Hot damn, hot damn

One, two, three

1 2 3!

1, 2, 3

I'll count till three and you shall come over
