Nanana oh  
Nanana oh

In this dizzy light there's a lot of people  
But I only have my eyes on you  
Where are you going? You look somewhat different  
Where are you from?

I still don't know oh woah  
What kind of person you are  
There's no need to tell me oh woah  
I feel like I know just by looking at your eyes

I don't know if this is love, I don't know woah  
I don't know what will happen, I don't know woah  
I just like you know, like you woah  
Nanananananana  
Nana woah  
(Nanana)

I don't know (huh!)  
Even if I don't know your first or last name (huh! ya!)  
Let's take it slow (ya, ya, ya)  
You're shining like El Dorado  
I'm not sick and tired of you (uh)

I'm selfish but I can't be selfish  
In my eyes there's only you  
After tonight goes by  
I'm afraid I won't be able to see you again

I still don't know oh woah  
What kind of person you are  
Even if it's dangerous oh woah  
I like this fragile feeling

I don't know if this is love, I don't know woah  
I don't know what will happen, I don't know woah  
I just like you know, like you woah  
Nanananananana  
Nana woah

(Nananananana)  
(Nananananana)  
(Nananananana)  
Nanana oh  
(Nananananana)  
Nanana oh

You don't know me  
And I don't know you but  
Don't worry the night is long  
I want to find out about you slowly  
Because you're so pretty that I've fallen for you  
You're exceptionally special and you're eye catching  
Like a goddess who has descended to the human world

I don't know if this is love, I don't know woah  
I don't know what will happen, I don't know woah  
I just like you know, like you woah  
Nananananana  
Nana woah

I don't know  
Even if I don't know your first or last name (huh! ya!)  
Let's take it slow (ya, ya, ya)  
You're shining like El Dorado  
I'm not sick and tired of you (uh)
