We have our reasons
We belong
To the stars

Guardian angels
Float with us
Float with us

If I ask
Do you know where to go?
If I trust
Do you care to show?

Come here
Close your eyes
Go within
Brace the light
Present tense
I am one
Do you feel
That we belong?

We have our reasons

Float with us

If I ask

If I trust
Do you care to show?
