

Dormant

Sevdaliza

This is impossible to save
We'd roam through the northern way
Between the seven hounds
I watered down my needs
Us appearing disappears
I do

I need a different type of carin'
Different type of sharin'
I need a different type of caring
Different type of sharing, oh

This is impossible to save
We'd roam through the northern way
Between the seven hounds
I watered down my needs
Us appearing disappears
I do

I need a different type of carin'
Different type of sharin'
I need a different type of carin'
Different type of sharin'

I'd do anything
I'd do anything
I'd do anything
Swear, just be my friend
I'd do anything
I'd do anything
I'd do anything
Swear, just be my friend

I need a different type of carin'
Different type of sharin'
I need a different type of carin'
Different type of sharin'
