

Messiah

Sevdaliza

My messiah
Free me from desire
Keeper of my demons
I'm screaming
Hallelujah, hallelujah

Our love is freedom
Why is it such a sin to believe in
The God inside me?

Ooh, yeah, is it really so bad?
Make me want it more when you tell me I can't
Go there and you'll never go back
Forever in my heart, heaven in my hands

All night long
Deliver my bad desires
All night long
Halle-halle, hallelujah

Oh, my messiah, touch me until I see the face of God
My messiah, angels say my name until I come
You're the only one (Ah), you're the only one I need (Ah)
You're the only one (Ah), you're the only one I need

Uh, papi, uh-uh-uh
Papi, papi, uh-uh-uh
Papi, uh-uh-uh
Papi, uh-uh-uh-uh
Uh, papi, uh-uh-uh
Papi, papi, uh-uh-uh
Papi, uh-uh-uh
Papi, uh-uh-uh-uh

This ain't the very first time that I called you

I close my eyes, put my hands where I want you

Ooh, yeah, is it really so bad?
Make me want it more when you tell me I can't
Go there and you'll never go back
Forever in my heart, heaven in my hands

All night long
Deliver my bad desires
All night long
Halle-halle, hallelujah

Oh, my messiah, touch me until I see the face of God
My messiah, angels say my name until I come
You're the only one (Ah), you're the only one I need (Ah)
You're the only one (Ah), you're the only one I need

Uh, papi, uh-uh-uh
Papi, papi, uh-uh-uh
Papi, uh-uh-uh

Papi, uh-uh-uh-uh
Uh, papi, uh-uh-uh
Papi, papi, uh-uh-uh
Papi, uh-uh-uh
Papi, uh-uh-uh-uh

You're the only one
You're the only one I need
You're the only one
You're the only one I need
