

Observer

Sevdaliza

Days float by
Observant
Conscience calls
State of mind
Home's within
Home's the heart

I'm not a part
I'm not a part
I'm not a part of anything
I'm near the part
I'm near the part
I'm near the part of letting love in

I'm high
On light
I'm high
I'm high
On light
I'm high
