

# Replaceable

Sevdaliza

My darling  
You love him  
Clocks ticking  
Don't waste your time

It would be selfish  
To leave him  
But you are destined  
Don't waste your time

They come, they go  
So replaceable  
As long as your own river flows  
Their highs, their lows  
As distraction folds  
As long as your own river flows  
  
Don't waste your time  
Don't waste your time  
Don't waste your time  
And as long as your own river flows

Our skin  
In time would tell  
Can I hold on to our genes  
In my life  
I could not fail  
When I run out will you leave?

When I run out will you leave?  
When I run out will you leave?  
When I run out will you leave?  
When I run out will you leave?

Don't waste your time  
Don't waste your time  
Don't waste your time  
As long as your own river flows
