

Strong Because You Are

Sevdaliza

My mother's eyes have seen it all
It's in my veins, it's in my blood, it never leaves me
My mother's dream survived the storm
When life gets hard, open your heart, don't stop believing
Your dreams, my dreams

Mama, I know I'm only strong because you are
Come and take my hand, we'll touch the stars
It's my turn now to take you in my arms
I'm grateful for your scars, I'm strong because you are

Hey-ayy, hey-ayy-ayy-ayy-ayy
Hey-ayy, hey-ayy-ayy-ayy-ayy

I've been waiting my whole life for this moment, I swear
Mama, find my way, despite it all, I'll make it, make it, make it
