

Go!

Seven Hours After Violet

Let's go

Whoa oh oh, whoa oh oh
Getting so close to you again
Whoa oh oh, whoa oh oh
Was it all worth it in the end

I'm skating by in the edge of a knife
Waiting for you to control my entire life
Pull me down, wipe me clean of my sins
When darkness falls we live in death 'til the end

Whoa oh oh, whoa oh oh
Getting so close to you again
Whoa oh oh, whoa oh oh
Was it all worth it in the end
Whoa oh oh, whoa oh oh
Getting so close to you again
Whoa oh oh, whoa oh oh
Was it all worth it in the end

Wake me up
Wake me up
Cause I'm

Whoa oh oh, whoa oh oh
Getting so close to you again
Whoa oh oh, whoa oh oh
Was it all worth it in the end
Whoa oh oh, whoa oh oh
Getting so close to you again
Whoa oh oh, whoa oh oh
Was it all worth it in the end

Get the fuck up
Yeah
Sit the fuck down
