

# Diamond Handed

## Seven Kingdoms

Test of will  
No choice but to hold  
My hand's in the fire  
I won't sell my soul

It's fight or flight  
Ride or die  
Ride or die

Fear is the demon of  
Uncertainty  
Doubting your own worth  
Feeds the enemy

Pulverized and pressurized  
Oh yeah, We survived!  
We survived...

See the moon darling?  
That's where you and I belong  
Double down it's just a sign  
Diamond Handed, hold the line  
Hold the line, hold the line!

See the moon darling?  
That's where you and I belong  
Double down it's just a sign  
Diamond Handed, hold the line

(Side by side we chase the  
Night away...  
Precious time we  
Hold the line)

See the moon darling?  
That's where you and I belong  
Double down it's just a sign  
Diamond Handed, hold the line!
