

## Life Signs

## Seven Kingdoms

Gathered in corners  
Lost and afraid  
They searched for answers  
Finding shades of grey

Divine! You've made up your mind  
Seeking comfort through salvation  
Woah oh oh

Surveying the heavens  
For signs of life  
Real or imagined  
Belief in what they seek

Sublime! Light up the sky  
Illuminate the night  
A miracle in a child's eyes

Divine! You've made up your mind  
Seeking comfort through salvation  
Woah oh oh

Beyond the stars  
How much farther can we go  
Light-years from home  
Life signs  
Have we been left behind?  
Will we know in time?
