

# The Water Dance

## Seven Kingdoms

Lessons left their mark  
And made me stronger  
This girl has a name  
A daughter of the north  
I will remember

Their names, Their eyes  
All their actions and their lies  
Let me be the one

Don't tell me who I am  
Who I should be  
Wild as a wolf you cannot tame  
The north remembers  
A dance to demonstrate  
Today is the day I will sow your fate

I lost everything I loved  
I will show you how it feels  
Fear creates unfortunate things  
I will choose anger!

They left a wolf alive  
Now the sheep will never survive  
Let me be the one!

Don't tell me who I am  
Who I should be  
Wild as a wolf you cannot tame  
The north remembers  
A dance to demonstrate  
Today is the day I will sow your fate

Oh Oh, The North Remembers!  
Oh Oh, The North Remembers!  
Oh Oh, The North Remembers!

I have a name!

Don't tell me who I am  
Who I should be  
Wild as a wolf you cannot tame  
The north remembers  
A dance to demonstrate  
Today is the day I will sow your fate
