

The Water Dance

Seven Kingdoms

Lessons left their mark
And made me stronger
This girl has a name
A daughter of the north
I will remember

Their names, Their eyes
All their actions and their lies
Let me be the one

Don't tell me who I am
Who I should be
Wild as a wolf you cannot tame
The north remembers
A dance to demonstrate
Today is the day I will sow your fate

I lost everything I loved
I will show you how it feels
Fear creates unfortunate things
I will choose anger!

They left a wolf alive
Now the sheep will never survive
Let me be the one!

Don't tell me who I am
Who I should be
Wild as a wolf you cannot tame
The north remembers
A dance to demonstrate
Today is the day I will sow your fate

Oh Oh, The North Remembers!
Oh Oh, The North Remembers!
Oh Oh, The North Remembers!

I have a name!

Don't tell me who I am
Who I should be
Wild as a wolf you cannot tame
The north remembers
A dance to demonstrate
Today is the day I will sow your fate
