

# Calling You Home

Seven Lions

Feel the waves over my head  
I'm into the deep  
Fading fast, but running right back  
Can't you see

That it's all my heart can take  
Learn from my mistakes  
Scared that it's too late  
So please

Don't say it's the end of the story  
Don't say it's the end of the road  
Cause as long as you're there to hold me  
I'll always be calling you home  
Don't know what's waiting before me  
But I don't have to go it alone  
Cause as long as you're there to hold me  
I'll always be calling you home

In the dark, I'm losing my way  
I need your light  
I know it's hard, but baby don't fade  
It's worth the fight

'Cause it's all my heart can take  
Learn from my mistakes  
Scared that it's too late  
So please

Don't say it's the end of the story  
Don't say it's the end of the road  
Cause as long as you're there to hold me  
I'll always be calling you home  
Don't know what's waiting before me  
But I don't have to go it alone  
Cause as long as you're there to hold me  
I'll always be calling you home

Calling you home  
Calling you home

Feel the waves over my head  
I'm into the deep  
Fading fast, but running right back  
Can't you see

That is all my heart can take  
Learn from my mistakes  
Scared that it's too late  
So please

Don't say it's the end of the story  
Don't say it's the end of the road  
Cause as long as you're there to hold me  
I'll always be calling you home  
Don't know what's waiting before me  
But I don't have to go it alone

Cause as long as you're there to hold me  
I'll always be calling you home

Always be calling you home  
Always be calling you home  
Calling you home  
Calling you home
