

# Senseless

Seven Lions

Oh my god  
Oh my god  
Don't know what hit me so hard  
Lost my breath

Through my veins  
Through my veins  
I'm falling hard for you  
On the edge

I kinda like the way it feels  
When you give me that fix  
Just one more hit please

So tell me baby if it's real  
Can't tell if I'm addicted  
Or if we're really in this

One touch  
One touch  
Losing my senses  
Until I'm senseless

How much  
How much  
Can you give me?  
Cause I'm empty  
Need love

I'm breaking down  
Need something now  
I swear it won't be wasted  
One touch  
One touch  
Losing my senses  
Until I'm senseless

It's so hard  
It's so hard  
To define what this is  
Is it love?  
Is it lust?  
I don't care as long as I live

I kinda like the way it feels  
When you give me that fix  
Just one more hit please

So tell me baby if it's real  
Can't tell if I'm addicted  
Or if we're really in this

One touch  
One touch  
Losing my senses  
Until I'm senseless

How much  
How much  
Can you give me?  
Cause I'm empty  
Need love

I'm breaking down  
Need something now  
I swear it won't be wasted  
One touch  
One touch  
Losing my senses  
Until I'm senseless

Senseless  
Til I'm senseless  
Senseless  
Ah ah

Senseless  
Til I'm senseless  
Senseless  
Ah ah

One touch one touch  
Losing my senses  
Until I'm senseless

One touch one touch  
Losing my senses  
Until I'm senseless
