

Shadows

Seven Lions

Tell me now
When it all broke down
Was it just lies
And lullabies
To make me stay
I thought I knew
Every shade of you

But I can't color in the lines you always break

And as we fall apart
It all unravels
Secrets in the dark
When I look back
At what we had

All that I let go is nothing but shadows, woah

You fade away
In the light of day
You're all that I let go
Nothing but shadows, woah
Ooh, ooh shadows
Ooh, ooh
You're all that I let go
Nothing but shadows, woah
Shadows
Ooh
Ooh, ooh
You're all that I let go
Nothing but shadows, woah
Shadows
Shadows
Ooh, ooh
You're all that I let go
Nothing but shadows, woah
Shadows

When I look back
At what we had
You're all that I let go
Nothing but shadows, woah

You fade away
In the light of day
You're all that I let go
Nothing but shadows, woah
Ooh, ooh shadows
Ooh, ooh
You're all that I let go
Nothing but shadows, woah
Shadows
You're all that I let go
Nothing but shadows, woah
Shadows
Shadows
Shadows

You're all that I let go
Nothing but shadows, woah
