The End

Seven Lions

```
There, was a Time
We were strong as storm
Pure, by design
So unbreakable
Now I see the grains, of sand
Slipping through the cracks
Staring at the edge of all we have

Who can save us from ourselves
Cause we're running out of time
And I cannot watch us die
Ohhh ahhh ahhh ahhh
Is this the end
Of everything
Ohhh ahhh ahhh ahhh
Is this the end
Of everything
Ohhh ahhh ahhh ahhh

There was a time
We were strong as storm
Pure by design
So unbreakable

Who can save us from ourselves
Cause we're running out of time
And I cannot watch us die
Ohhh ahhh ahhh ahhh
Is this the end
Of everything
Ohhh ahhh ahhh ahhh
Is this the end
Of everything
Ohhh ahhh ahhh ahhh
(Are we broken, words unspoken)

Who can save us
Cause we're running out of time
Who can save us
Cause we're running out of time
Is this the end
Of everything
Ohhh ahhh ahhh ahhh
Is this the end
Of everything
Ohhh ahhh ahhh ahhh
(Are we broken, words unspoken)
