Landslide

Seven Places

I feel crazy, hope is hazy right now But I won't freak out, I won't freak out at the Sound of the Landslide inside, fear wants to Take my peace of mind, won't run, won't hide I will lift my hands up high In my trouble I have doubled my prayers Because I need them, I need them like I need The air landslide inside, fear wants to Take my peace of min, won't run, won't hide I wil lift my hands up high Here's to the Name above all names I will trust you Jesus, I'll be brave I will live my life day by day Because You're the only Truth, the only Way out Of this landslilde inside, fear wants to Take my peace of mind, won't run, won't hide I will lift my hands up high Here's to the Name above all names Here's to the only one who saves I will trust you Jesus, I'll be brave
