

## We Have Been Forgiven

Seven Places

We all were guilty wonderer's  
Who Jesus died to win  
Ragged, lame, and weary  
All our garment's stained with sin  
Until we sought the blood of Jesus to  
Make our garment's white as snow  
Let us trust His precious promise and make  
Our praise become His home

Hallelujah, we have been forgiven,  
We have been forgiven  
Hallelujah, we have been forgiven,  
We have been forgiven  
By the blood of Jesus

Come home you guilty wonderer,  
Who Jesus died to win  
Ragged, lame, weary,  
All your garment's stained with sin  
Will you seek the blood of Jesus to make  
Your garment's white again  
Will you trust His precious promise  
Will you come back home to Him
