

## You Are Able

### Seven Places

One Jesus, I will trust thee with my soul  
Guilty, lost, and helpless thou  
Can make me whole  
There is none (on earth like thee)  
There is none (no one I see)  
Thou hast died, (sweet sacrifice)  
And rose again for me

Lord, i'm letting go you are capable  
Lord, you give and take  
Yet you are unshakable  
This tear in life is mendable  
Your stitching so dependable  
O Lord Jesus you are able

Jesus, I can trust thy written word  
Since thy voice,  
Of mercy I have often heard  
Faithful is (thy precious promise)  
Faithful is (thy blood upon us)  
We will sing (sing out loud)  
Let salvation ring

I will behold thee  
Praise and adore thy  
Glory and worth you bring  
To broken and messed up things
