

Losing Grip

Seven Wiser

If I fall down to the ground
Will you pick me up again
I don't know who I am anymore
Or why I'm holding on
I feel so useless everyday
I wake up so ashamed
I don't know who I am anymore
I'm nothing without you

Don't you see that I have problems
Putting all my trust in me
I'm falling farther everyday
So you see the worse in me
I'm losing grip, I'm losing everything
I'm feeling so alone
I'm losing grip, I'm losing grip

The day that I was down
I remember all your words to me
We'd look around at everything
Right in front of you
And it feels so useless everyday
I wake up so ashamed
I don't know what you think anymore
I'm nothing without you

Don't you see that I have problems
Putting all my trust in me
I'm falling farther everyday
So you see the worse in me
I'm losing grip, I'm losing everything
I'm feeling so alone
I'm losing grip, I'm losing grip

Don't you see that I have problems
Putting all my trust in me
I'm falling farther everyday
So you see the worse in me
I'm losing grip, I'm losing everything
I'm feeling so alone
I'm losing grip, I'm losing grip
