

# This Time

Seven Wiser

I don't know what you want  
But I am going crazy  
You think it's over now  
This shit is starting  
Tell me this thing that goes in  
Around in my head  
Find a way back to your heart  
I am going crazy

I wonder where you are  
And this time I swear  
This time  
It's really over  
Get out I can't  
Take any more  
Now that it's really over  
Go I can't take any more

It's hard enough the way  
The days play out  
I don't need your heart ache  
As icing to it  
I hear the way you run  
You're mad about me  
You know anything about me  
But you act like you do

I wonder where you are  
And this time I swear  
This time  
It's really over  
Get out I can't  
Take any more  
Now that it's really over  
Go I can't take any more

You think that your kiss  
Is really tempting  
You don't know want  
Had before  
You think the way you  
Pounce around is sexy  
You don't know me  
You didn't know me before

This time it's  
Really over  
Get out I can't take anymore  
Now it's really over  
Go I can't take any more

This time it's  
Really over  
Get out I can't take anymore  
Now it's really over  
Go I can't take any more
