

# Nightmare Man

Seven Witches

Just Close My Eyes  
You're Trembling In Fear  
Your Courage Dies  
When Darkness Brings Him Near

In Pools Of Sweat  
You Lie Awake Again  
Shaking Your Soul  
The Nightmare Closes In  
The Shadows Fall  
And Terror Takes Its Toll  
As Madness Works  
Taking Control

They Come To Life  
Each Time You Close Your Eyes  
They Never Die  
Just Fade At Mornings Light

Are You Missing Pieces Of Your Sleep  
You'll Find Them In His Hands  
Do You Pray The Lord Your Soul To Keep  
Waiting In The Corner Of Your Dreams  
You'll Find The Nightmare Man  
You Give Life To Him With Every  
Scream In The Night

Waiting In The Corner Of Your Dreams  
You'll Find The Nightmare Man  
You Give Life To Him With Every  
Scream In The Night
