

Searching answers out regardless of cost  
Doesn't matter if it's lives that are lost  
Benefits outweigh short term loss  
Theories trump humanitarian thoughts  
Ends that justify their means

Science without humanity

Covert handshakes seal the deals in the dark  
Subjects chosen, their existence earmarked  
In the name of improving man  
Blood drips off of scientific hands  
Hands that justify their means

Science without humanity

Freedom of discovery  
Confirmation of entropy  
Ends that justify their means

Science without humanity
