

## My Ruin

Sevendust

Inside my shadow,  
I can hear you. Am I near you?  
Inside my shadow,  
I can smell you. can I tell you?  
Inside my shadow,  
I can love you. Think I need you.  
Inside my shadow,  
I can feel you. I've embraced you.  
Am I Real?  
Am I Real?  
Save my ruin and us, my world has turned to rust. (2x)  
If there's tomorrow,  
Would you give me Please forgive me?  
If there's tomorrow,  
You'd be buried and that just scares me.  
Am I Real?  
Am I Real?  
Save my ruin and us, my world has turned to rust. (2x)  
Save my World.  
  
Save my ruin and us, my world has turned to rust. (2x)  
Save my ruin.  
My World (2x)
