(Ah yeah, ah yeah, but what did you say?  
Yo \$. coup\$, here's the baton, man)  
Right when I appear, all the underlings drool  
And faint - and I'll swim in that  
Woah, all the kids that couldn't float with their fat tubes  
There's no way they know, they don't know why  
They won't succeed1 - I have no thoughts to adjust  
To them so don't try to fit me into your thoughts  
I'll nail your ears so hard  
That you won't be able to come outside  
Just like that, you'll always be behind us  
It's not even a royal flush,  
Don't need to see it, just need to hear it once

It's the start line, tie your laces tight  
The distance between us and #1 is not far  
We'll take off the sand bags  
That dragged us down  
Get ready, crouch down (and run)  
From last place, we became 2nd place  
I wanna be #1 from this tight race  
Don't wanna be popular without a plan  
Wanna fill up  
Many ears with our stories (pull up)

Hold up, this feels a bit heavy  
After we steal all eyes, we'll jump around lightly  
Turnt up I don't give a  
What what what what  
What you gonna say

Ah yeah, but what did you say?  
I don't really know anything  
Ah yeah, I don't understand,  
Tell me one more time, yes you

(You ain't) got no feel got no feel  
(You ain't) got no feel got no feel  
(You ain't) got no feel got no feel  
I'm turnt up I'm super turnt up  
(You ain't) got no feel got no feel  
(You ain't) got no feel got no feel  
(You ain't) got no feel got no feel  
I'm turnt up I'm super turnt up

Vernon yeah pull up on you wacks  
With a mac fully loaded ah  
Pour down like monsoon season,  
Beehives increase and block my vision, wow  
They don't even know what they're saying,  
All those barking rabid dogs (bow wow)  
I hope you'll be healed with this verse,  
Cause I'm the vet you know it

Hold up, this feels a bit heavy  
After we steal all eyes, we'll jump around lightly  
Turnt up I don't give a  
What what what what  
What you gonna say

That's all you can do (ah yeah)  
You know what I'm saying? (ah yeah)  
If you don't know, then please piss off  
You can't walk this path (ah yeah)
