

Bad Influence

Seventeen

And I had time to think about it
It's too much bullshit that surround it
I don't want it at all
But, hey, I wanna have a good time (Good time, good time, good, good, good)
And I had time to think about it (Woo, woo)
But life would be so much better without it
I don't want it at all (Woo, woo)
But, hey, I wanna have a good time (Good time, good time, good, good, good)

Let's go out, let's go out, let's go 'round
What ya doin' now?
Let's go out, let's go out
Bust the scene, flip the vibe
Chase the fade, chase the fade
And be the section everybody talkin' bout, talkin' bout
Only fun shit is allowed

Bad influence, you had to do it
An ordinary time ain't enough for you
Bad influence, you had to do it
You wanna have a good, good night
Bad influence, you had to do it
It's four in the morning, what the fuck we doin'?
Bad influence, you had to do it
You turn and say "a good, good time" (Okay, okay)

And I had time to think about it (Bad influence)
But life would be so much better without it
I don't want it at all
But, hey, I wanna have a good time (Good time, good time, good, good, good time)
(Good time, good time) Sometimes you wanna luck up (Good time, good time)
(Good time, good time) You get frustrated, call me stuck up
(Good time, good time) But once you bring the plug up
(Good time, good time) Makes me wanna get fucked up

Let's go out, let's go out, let's go 'round
What ya doin' now?
Let's go out, let's go out
Bust the scene, flip the vibe
Chase the fade, chase the fade
And be the section everybody talkin' bout, talkin' bout
