Even when my nose tingles
Because of the cold wind, I feel good
A warm cup of milk
Wakes me up every morning
People at the bus station
They look at different places
Listening to different songs
I wonder if you know that
I'm thinking about you

Where is everyone going
So busily?
Who is the man next to me
Talking to on the phone?

Everyone's so busy, so busy
Too busy
Me too, I'm so busy
Busy, thinking of you

My life is so beautiful
My life is so beautiful
Things may seem repetitive
But when I'm with you,
They turn special

Beautiful
When I think about you
Whenever paradise
Paradise beautiful

When I hold your hand
Wherever paradise
Paradise beautiful

After a long day is over
I'll be next to you
I will, for you
I will, for you

You rise up along
With the early morning sun
Reminding me of
Your warmth that falls down

I fell asleep in the night air
You entered my dreams
Without change
You wake me up on the next day

People on the streets
Either only walk forward
Or mind their own business
I wonder if you know that
I'm thinking about you

Where is everyone
Going so busily?
That couple over there,
Why are they so happy?

Everyone's so busy, so busy
Too busy
Me too, I'm so busy
Busy, thinking of you

My life is so beautiful
My life is so beautiful
Things may seem repetitive
But when I'm with you,
They turn special

Beautiful
When I think about you
Whenever paradise
Paradise beautiful

When I hold your hand
Wherever paradise
Paradise beautiful

After a long day is over
I'll be next to you
I will, for you
I will, for you

Paradise, all the things in front of our eyes
Touch, sight, hearing, taste
Although there are many withering flowers
Things here won't wither
Our love will never rest

Beautiful
When I think about you
Whenever paradise
Paradise beautiful

When I hold your hand
Wherever paradise
Paradise beautiful

After a long day is over
I'll be next to you
I will, for you
I will, for you
