How did love become love

I get close, it goes farther
Sorry I can't get closer
I'm sorry I'm like this umm, umm
One you and two moons

Hiding the truth, pretending I'm fine
I'm hiding in the rain always smiling
Woo I want an answer
That I don't think I can find
I want the next thing

But anything, nothing
Is like the heart of a person
Eyes meeting but hearts apart
So sweet and so bitter

If I give my hand and expect your heart
My selfishness grows to a flaw
Filling the void between us
Filling the heart with more emptiness

Touch of a season passed-by
Scent of a moment fill both hands
I stand still before you before me
I'm okay, not okay

But anything, nothing
Is like the heart of a person
Eyes meeting but hearts apart
So sweet and so bitter

Ruinous imagination consumes me
Makes me dream sweeter dreams
I close my eyes but thoughts of you
Bring turmoil to night, to you and me, real and dreamy

But anything, nothing
Is like the heart of a person
Eyes meeting but hearts apart
So sweet and so bitter

Don't want to let go so I let go
You and me we see together
Will our eyes ever meet each other
Don't want to let go so I let go
You and me we see together
