Even though you're in front of me  
I miss you, oh woah  
How to explain this feeling  
I can't figure it out  
At some point you became  
The root of my happiness, after I realised  
I kept staying near you  
Turn right and turn left  
I keep going around you every day

When I see you, I feel good  
You are my bio-rhythm  
I know I'm beating around the bush  
But my heart isn't mixed up

You're so beautiful

I'm looking at you again oh, oh  
Boom, boom, boom, boom, boom  
Boom, boom, boom, boom, boom

As I think  
Of you right now oh, oh, oh  
I'll go to your house  
I have something to tell you

There's no end to your road  
I'm taking two steps at a time  
I'll hug you with all my strength  
Filled with passion that can't be stopped oh, oh

Boom, boom, boom, boom, boom  
Boom, boom, boom, boom, boom

Everyday, boom boom  
Because of you, boom boom  
You  
Hit me, hit me, hit me  
Hit me, hit me, hit me  
With a heart, come on

Everyday, boom boom  
Because of you, boom boom  
You got me like  
Boom, boom, boom, boom  
Boom, boom, boom, boom

Everyday you're all up in my head  
You sweetly catch my eye  
Yeah, I can't erase you  
Right now, you entered my brain  
It's max capacity  
Boom, boom

You're so beautiful  
I'm looking at you again oh, oh  
Boom, boom, boom, boom, boom  
Boom, boom, boom, boom, boom

As I think  
Of you right now oh, oh, oh  
I'll go to your house  
I have something to tell you

There's no end to your road  
I'm taking two steps at a time  
I'll hug you with all my strength  
Filled with passion that can't be stopped oh, oh

Boom, boom, boom, boom, boom  
Boom, boom, boom, boom, boom

Everyday, boom boom  
Because of you, boom boom  
You got me like  
Boom, boom, boom, boom  
Boom, boom, boom, boom

Everyday, boom boom  
Because of you, boom boom

You got me like  
Boom, boom, boom, boom  
Boom, boom, boom, boom

The you of yesterday, the me of tomorrow  
I hope we'll have the same heart, the same vision  
I hope we'll always be together

Me minus you equals zero  
When I'm with you,  
Our synergy amplifies  
So I'm enrolling you to me  
With the answer of us  
I'm gonna make a love formula

Beautiful, beautiful  
Boom, boom, boom, boom, boom  
Boom, boom, boom, boom, boom

Filled with passion that can't be stopped oh, oh  
Boom, boom, boom, boom  
Boom, boom, boom, boom

Everyday, boom boom  
Because of you, boom boom  
You  
Hit me, hit me, hit me  
Hit me, hit me, hit me  
With a heart, come on

Everyday, boom boom  
Because of you, boom boom  
You got me like  
Boom, boom, boom, boom
