□ □ □ my love to you

You were the only one for me
The only one who I could dare say was love
Girl only you
I didn't know how breathtaking
I didn't know how
Addicting you would be at first
After I had already fallen for you
I couldn't control myself
I don't know how many nights have passed like that

You're different, very different
Different from the girls in the past
There's something about you

I like that you're not common
Wanna make something out of us?
Wanna feel it?
Wanna choose me?
Will you control me?
Here, take the joystick

Oh my chocolate
Oh my gosh, is it for me?
Is it really for me? A sweet day?
I don't deserve to receive it yet
Because I have so much more sweetness to give to you

Listen my appeal
Just only for you my appeal
Hidden for a long time
Couldn't tell you easily
But I meant it, my appeal for you
I'm nervous tonight

I don't care who you choose
I'll be satisfied at the fact
That I told you my honest feelings
You don't need to know
How nervous I was

This is gonna end soon
So whatever you decide
I'll control myself to it
Look at me for the last time

Oh my chocolate
Oh my gosh, is it for me?
Is it really for me? A sweet day?
I don't deserve to receive it yet
Because I have so much more sweetness to give to you

Listen my appeal
Just only for you my appeal
Hidden for a long time
Couldn't tell you easily

But I meant it, my appeal for you
I'm nervous tonight

Na na na...

Ooh baby baby baby
Baby baby baby
My true feelings for you, my love to you
