Going we're going

Yeah yeah yeah yay wo  
You're going too fast baby  
I don't know what's wrong baby  
You're going too fast baby  
Uh uh listen  
Without even knowing why  
Our faces are getting red  
We are not like before

We're holding hands  
There is no warmth  
But why can't we let go?  
At the same time  
We just cannot let go

Yo, S.Coups  
You're walking ahead as you look behind  
With distance between you and me  
You're walking indifferently  
But you're matching your footsteps to mine

Getting used to this  
Boring feeling  
We're walking in a long tunnel  
We're not denying the end

Don't be gone too long  
We're going to a place we shouldn't go  
Together, we used to walk  
Now we can't find that  
You walk so quickly

You're walking with such a fast pace  
I can't keep up  
What use is it if I walk fast like you?  
We keep getting farther apart

You and I, us two  
Going we're going, you and I, us two  
Going we're going, like this, us two  
Going we're going ooh uh

You and I, us two  
Going we're going, you and I, us two  
Going we're going, like this, us two  
Going we're going ooh uh  
You and I, us two, going

In your hands that are in mine  
There is no warmth

Do we need to let each other go now?  
Why now? Why now?  
Why do we have to hurt like this?

It's no fun  
We make plans but I'm not excited for it  
Maybe there was too much warmth  
So the fluttering feelings melted away

But all of our times together  
Are too good for us to let go, man  
But when we meet, it gets awkward  
Your walking pace gets faster, why?

Don't be gone too long  
We're going to a place we shouldn't go  
Together, we used to walk  
Now we can't find that  
You walk so quickly

You're walking with such a fast pace  
I can't keep up  
What use is it if I walk fast like you?  
We keep getting farther apart  
You and I, us two

24/7, we're walking but getting farther apart  
I see the back of you, what can I do?  
24/7, you're getting farther away  
I just let you go, what can I do?

You're walking with such a fast pace  
I can't keep up  
What use is it if I walk fast like you?  
We keep getting farther apart

You and I, us two  
Going we're going, you and I, us two  
Going we're going, like this, us two  
Going we're going ooh uh

You and I, us two  
Going we're going, you and I, us two  
Going we're going, like this, us two  
Going we're going ooh uh  
You and I, us two, going  
Going we're going
