All eyes on us (us)
Chariot riding across the sun (Keep riding uh)
Juicy juicy juicy juicy

When the gunshot's all done ringin' (That spicy feelin')
Aim and shoot the sun at your heart (I just wanna do this)
Juicy juicy

Turn up the music
Run across the world all fierce
Sun in tow, step on it
Honk the horn, we be us and fire (we be us)

No need to imitate
More, more like how we do it
Say ah, HOT HOT HOT

No night just day, the sky scorched red
Like the world's in monochrome (like it's become one tone)

Deep overwhelming breaths and superheated rhythm vibe
Wager my road on the sun of fate
Follow me, go

We drop it like HOT HOT HOT
(Oh we feelin' so HOT)
This song's burnin like HOT HOT HOT HOT
(Boom brr boom boom)
We drop it like HOT HOT HOT
(Oh we feelin' so HOT)
Yeah I'm runnin' too HOT HOT HOT HOT
(Boom brr boom boom)

Face the sun, set it on fire
So HOT (Boom brr boom boom)
Face the sun, set it on fire
This song's sizzlin', everybody join in

Ay, blow the horn
Drive away through the desert waves
I don't want uh one more chance
This moment, I'm goin' all in

Shadow cast with my back to the sun
Turns to light again
Yeah, heart set on fire
No lie, we sure

About to burst, I can't breathe
My burning heart (won't listen to me)
Deep overwhelming breaths and superheated rhythm vibe
You know what to do
Hey you know what to do

We drop it like HOT HOT HOT
(Oh we feelin' so HOT)
This song's burnin like HOT HOT HOT HOT
(Boom brr boom boom)
We drop it like HOT HOT HOT
(Oh we feelin' so HOT)
Yeah I'm runnin' too HOT HOT HOT HOT
(Boom brr boom boom)

Run through the thick forest
Oh, sun atop the deep ocean
We'll go through the fire, jump the limit once more
We'll rise high all of a sudden
And become the sun, aw!

We drop it like HOT HOT HOT
(Oh we feelin' so HOT)
This song's burnin like HOT HOT HOT HOT
(Boom brr boom boom)
We drop it like HOT HOT HOT
(Oh we feelin' so HOT)
Yeah I'm runnin' too HOT HOT HOT HOT
(Boom brr boom boom)

Face the sun, set it on fire
So HOT (Boom brr boom boom)
Face the sun, set it on fire
This song's sizzlin', everybody join in
