Walking home slowly at sunset
To a dark house, You're not there
But somehow, it feels warm
Saying 'I'm home' and 'Let's eat'
Even saying it alone
Because of you, it's okay

When I opened the fridge
And saw a little milk left
I was about to drink it
When I suddenly thought

I wonder when does the expiration date of feelings come?
I want to stay with these feelings forever
(Ah-ah, yeah, yeah, ah-ah, yeah, yeah) I'm here
(Ah, yeah, yeah, ah, yeah) With an unchanging heart
(Ah-ah, yeah, yeah, ah-ah, yeah, yeah) I'm here
(Ah, yeah, yeah, ah, yeah) I am here

Countless pasts and futures
Even if you can't see them, it's okay
No matter the day, if we can look at each other
And smile

In the rain that suddenly started
I can hold you in my arms

Because I can embrace you with both hands

My feelings for you
The emotions I have for you
They have no expiration date
They remain unchanged forever

I wonder when does the expiration date of feelings come?
I want to stay with these feelings forever
(Ah-ah, yeah, yeah, ah-ah, yeah, yeah) I'm here
(Ah, yeah, yeah, ah, yeah) With an unchanging heart
(Ah-ah, yeah, yeah, ah-ah, yeah, yeah) I'm here
(Ah, yeah, yeah, ah, yeah) I am here
