I call you baby yeah
Baby's called my happiness
Yeah I just want it simple simple
I want it simple
Oh I want it simple oh yeah
I want it simple

I'm standing on the last road for today
It's like this every day
In this big world
I know I'm like a particle of dust
Nothing is easy
In this exit-less, maze-like world
Happiness is only a word
It's just a dream that everyone wants
But that doesn't make sense
I don't even wanna believe that
Yeah I just want it simple simple oh

Everything that makes me breathe
I want it to be simple
Until it goes far far away
Until I can't see
I call you baby yeah
Baby's called my happiness yeah
Yeah I just want it simple simple
I want it simple

Nothing is easy
In this exit-less, maze-like world

Happiness is only a word
It's just a dream that everyone wants
But that doesn't make sense
I don't even wanna believe that
Yeah I just want it simple simple oh

Everything that makes me breathe
I want it to be simple
Until it goes far far away
Until I can't see
I call you baby yeah
Baby's called my happiness yeah
Yeah I just want it simple simple
I want it simple

Em I want it simple yeah
Even if everyone says I'm wrong
I hope we can all smile when the night is over

Everything that makes me breathe
I want it to be simple
Until it goes far far away
Until I can't see
I call you baby yeah
Baby's called my happiness yeah
Yeah I just want it simple simple
I want it simple
Oh I want it simple oh yeah
I want it simple
