SEVENTEEN right here

I looked at the ground and kept going to the top and
Faced everything, like I'm so proud, I always win
It's key that you got a strong will (Strong will)
The future's not going anywhere, not until I let go

Da-rum-da-rim-da
Hop on our cloud and get all around (Hey)
Da-rum-da-rim-da
So that we can proudly stand tall (Hey)

Da-rum-da-rim-da
Let's move on to the next world, go
Catch this rhythm and flow

Say, say, say, say
Hero's true colors like this
A stance of being free of all time and space
If I give it my all and slip up
Don't know how to give up, I'm running riot

Feels like I turned into sonogong
Feels like I turned into sonogong
We'll never rest, every day, make it, make it
Don't break till we make it
Feels like I turned into sonogong

I love my team, I love my crew
We already made it this far
I love my team, I love my crew
We already made it this far
I love my team, I love my crew
We already made it this high
I love my team, it's all thanks to you
Feels like I turned into sonogong

Listen up, we're on our way now (Now)
Switching up the generation till now (Now)
We're not stopping, we're racing now (Now)
Misstep or not, the backbeat still goes pow (Brr)
Oh, oh, pull up on my flying cloud
Oh, oh, be a hard worker now

Da-rum-da-rim-da
Rise way up to the sky, power pole (Hey)
Da-rum-da-rim-da
Every day we always come and go (Hey)
Da-rum-da-rim-da
Let's move for the sake of it all, go
Catch this music and flow

Say, say, say, say (Oh, yeah)
Hero's true colors like this
A stance of being free of all time and space
If I give it my all and slip up
Don't know how to give up, I'm running riot

Feels like I turned into sonogong

Don't break till we make it

I love my team, I love my crew
We already made it this far
I love my team, I love my crew
We can keep running forever more
I love my team, I love my crew
We already made it this high
I love my team, it's all thanks to you
Feels like I turned into sonogong

Sometimes the truth hurts (What's that?)
Sometimes the lie's sweet (What's that?)

Sometimes kind's a kind of lie (What's that?)
Shove all the bad stuff together

Ping and out comes fire
Ener-energy, gather your strength and out comes power
Ener-energy, one massive shot
Now let's all aim our cries up to the sky
This is the cartoon's credits song
