The low-hanging sky
I'm still looking at over and over again (looking)
When I feel like nothing
That's when I think of you
Just things like that inside (inside)
Drifting across your heart
I can never let go of
I know I'm still a child now
I can't catch up to you yet
Only a little while more

As more time pass, when I grow up
I'll understand you more
My love my love my love, my dear,
Don't you dare let loose of my hands

When I grow up, things I think will change
Everything, everything
Is going to follow me, will only hurt my head
When I grow up

When I grow up
When I grow up
Only that phrase is stuck in my head
It's making me dizzy
Making me dizzy, to understand your everything
Might take alot of my energy

Just things like that inside (inside)
Drifting across your heart
I can never let go of
I know I'm still a child now
I can't catch up to you yet
Only a little while more

As more time pass when I grow up
I'll understand you more
My love my love my love, my dear,
Don't you dare let loose of my hands

Woah..
I'm waiting just for you
I'm waiting for you, I'm not losing you
That is why, I'm still here

When I grow up things I think will change
Everything, everything
Is going to follow me, will only hurt my head
When I grow up
