

# In Too Deep

## Seventh Day Slumber

I guess the wounds run so deep  
I cant see how they've infected me  
Controlling me  
I've wasted away recalling pain from yesterday  
It's killing me

And I'm reaching out

Can't save myself  
I'm in too deep  
As waves crash down  
It's getting harder to breathe  
I'm reaching out  
God save me now  
I'm in too deep

Make these memories fade  
Cause I can't live like this for one more day  
It's too much to take  
My innocence lost  
Ripped away no matter what the cost  
You took it all

And I'm reaching out

Can't save myself  
I'm in too deep  
As waves crash down  
It's getting harder to breathe  
I'm reaching out  
God save me now  
I'm in too deep

I'm fading away  
I'm in too deep  
I can't see through the haze as darkness closes in  
Somebody wake me up

Can't save myself  
I'm in too deep  
As waves crash down  
It's getting harder to breathe  
I'm reaching out  
God save me now  
I'm in too deep
