

Till The End

Seventh Day Slumber

You've been tossing and turning
Trying to find peace in your soul
You've been holding on for so long
Sometime you just want to let go
You're stronger than you know

Tomorrow you will wake up
It's another day of
Mercies that will never end
And though the nights seem longer
You're only getting stronger
I'll be there with you till the end

You have all of these questions
The answer won't set your heart free
You keep searching in places
That only take you further from me
I'm everything you need

Tomorrow you will wake up
It's another day of
Mercies that will never end
And though the nights seem longer
You're only getting stronger
I'll be there with you till the end

Let go of the past
Let go of the way
Let go of all the anger
All of the mistakes
I'm holding you close
I won't let you go
From the arms of your Father
You find hope

Tomorrow you will wake up
It's another day of
Mercies that will never end
And though the nights seem longer
You're only getting stronger
I'll be there with you till the end
